

# Bateman Collins Group is pleased to announce we are Carbon Neutral

In line with the Bateman Collins Group's commitment to being a responsible and sustainable business, we are pleased to announce that we are certified as a Carbon Neutral business. In fact, as a group of companies we are absorbing more carbon than we are emitting.

The Bateman Collins Group is committed to being a force for good and achieving a sustainable future.

Many congratulations and a huge thank you to Liam Maguire and Zoë Evans and our Operations team for working hard to reduce our carbon footprint.
